

NEW BULLETIN BOARDS at the POSTAL STATIONS

Tuscawilla Hills Residents,

The Tuscawilla Hills Citizens Association Board of Directors strive to maintain the beauty, safety, and value of our property by continuously making improvements and informed decisions that represent the interests of the entire community, while focusing on sustaining a safe and friendly family environment.

To maintain the safety and to ensure a neatly manicured community message box, the board has elected to use enclosed bulletin boards to be maintained by PMP. Residents will NOT be permitted to put things in the message box to maintain the beauty and safety of all homeowners. This box will contain important phone numbers, the latest newsletter, dates and times of board meetings and other important information for the community. Homeowners are asked to not post or pin anything at the postal stations. Anything posted not by PMP will be removed immediately.

Should you have any questions please contact Angela Suddueth by email at: angela.suddueth@pmpbiz.com or by phone at:
