Parking on the Road

We are asking homeowners to **NOT** park on the roadways or on lawns near the edge of the roadway. All homes within Tuscowilla Hills have driveways for off street parking. Vehicles parked on the streets reduce visibility, can create an unsafe condition and can damage to the paving which can cost homeowners increased assessments to repair any damage to the roadway. We have to take in consideration our children, emergency vehicles, fire hydrants, snow plowing, visibility for other drivers and the safety of all neighbors. We appreciate our homeowners understanding and cooperation.

Strawberry Melon Fizz

Ingredients

2 cups sugar
1 cup water
5 fresh mint sprigs
1 quart fresh strawberries, halved
2 cups cubed honeydew
1-3/4 cups cubed cantaloupe
Ginger ale or sparkling white grape juice

Directions

In a large saucepan, combine the sugar, water and mint; bring to a boil. Reduce heat; simmer 10 minutes. Remove from the heat; allow to cool completely. Discard mint.
Combine strawberries and melon. Just before serving, fill tall glasses with fruit and drizzle each with 1 tablespoon syrup. Add ginger ale to each glass.

The Tuscawilla Hills Board of Directors is excited to announce that there are two(2) new enclosed bulletin boards, one at each of the postal stations. The bulletin boards will be managed by PMP and we are asking please **DO NOT** pin or post anything on the walls near or around the bulletin boards, this will maintain a neat appearance. Anything that is pinned or posted will be removed and discarded. Thank you for your cooperation.

PLEASE
CLEAN UP AFTER YOUR DOG

Remember to pick up after your pets. Pet owners please be considerate of your neighbors, remove waste from public or private property not owned or leased by you. Any dog which deposits waste on public or private property, which property is not property owned or leased by the owner of the dog, is subject to this fine. Animal Control Officers are authorized to issue citations for violations of Pet Ordinances. Jefferson County Animal Control can be contacted at 304.728-3289. Please do your part and keep Tuscawilla Hills a beautiful and healthy place to live.
